# PHARMACEUTICAL TECHNOLOGY EUROPE 2014 EDITORIAL CALENDAR

## JANUARY
Ad Close: 11 December*

**Focus**
The Future of Dosage Forms

**Special Features and Forums**
Formulation Challenges for Biologics
Peer-Reviewed Technical Notes
Statistical Solutions
Analytical Testing for Biologics

**API Synthesis & Manufacturing**
Custom Manufacturing Outlook

**Product Spotlight**
Manufacturing and Equipment

**Troubleshooting**
Solid Dosage

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
Informex USA (21-24 Jan., Miami Beach, Fla, USA)

**Value-Added Marketing**
Readex Advertising Study

## FEBRUARY
Ad Close: 15 January*

**Focus**
Advances in Analytical Testing

**Special Features and Forums**
Particle Design/Particle Engineering
Peer-Reviewed Technical Notes
Product Quality: Biologics
Mitigating Drug Shortages
Packaging Forum

**API Synthesis & Manufacturing**
Global API Supply Chain and DCAT Roundup

**Product Spotlight**
Automation/Process Control/IT

**Troubleshooting**
Equipment Design and Operation

**Regulation And Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
Pharmapack (12-14 Feb., Paris)
Pittcon (2-6 March, Chicago)
BIO-Europe Spring (10-12 March, Turin Italy)

**Value-Added Marketing**
e-News Product/Sevice Profile

## MARCH
Ad Close: 12 February*

**Focus**
Optimizing Solid Dosage Manufacturing

**Special Features and Forums**
Nanotechnology
Peer-Reviewed Technical Notes
Investigations/Root Causes
Visual Inspection Techniques
Analytica 2014 Preview

**API Synthesis & Manufacturing**
The Next Frontier in Chiral Chemistry

**Product Spotlight**
Analytical Instruments

**Troubleshooting**
Biopharmaceutical Manufacturing

**Regulation And Compliance**
Regulatory Watch
Inside Standards,
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
INTERPHEX (18-20 March, New York)
Analytica (1-4 April, Munich, Germany)
PDA Annual Meeting (7-8 April, San Antonio, Texas, USA)

**Value-Added Marketing**
1/3 Page Product/Service Profile

## APRIL
Ad Close: 12 March*

**Focus**
Trends in Biopharmaceutical Manufacturing

**Special Features and Forums**
Encapsulation Technologies
Peer-Reviewed Technical Notes
Process Validation
Combination Products

**API Synthesis & Manufacturing**
High-Potency Manufacturing

**Product Spotlight**
Automation/Process Control/IT

**Troubleshooting**
Aseptic Processing/ Sterile Manufacturing

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Value-Added Marketing**
e-News Product/Sevice Profile

## MAY
Ad Close: 16 April*

**Focus**
Quality by Design (QbD) in Lyophilization

**Special Features and Forums**
Extractables and Leachables
Peer-Reviewed Technical Notes
Quality Metrics
Data Management in Manufacturing

**API Synthesis & Manufacturing**
Polymorphism and Crystallization

**Product Spotlight**
Analytical Instruments

**Troubleshooting**
Equipment Design and Operation (INTERPHEX Wrap-up)

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
Interpack (8-14 May, Dusseldorf)

**Value-Added Marketing**
1/4 Page Product Profile (full page advertisers only)

## JUNE
Ad Close: 14 May*

**Focus**
Advances in Controlled-Release Drug Delivery

**Special Features and Forums**
Peer-Reviewed Technical Notes
Statistical Solutions
Process Analytical Technology (PAT)
Packaging Forum

**API Synthesis & Manufacturing**
Catalysis in API Manufacturing

**Product Spotlight**
Biopharmaceutical Manufacturing

**Troubleshooting**
Aseptic Processing/Sterile Manufacturing

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Value-Added Marketing**
e-News Product/Sevice Profile

## JULY
Ad Close: 11 June*

**Focus**
Equipment and Manufacturing Trends

**Special Features and Forums**
Peer-Reviewed Technical Notes
GMP Regulatory Trends
Equipment Cleaning

**API Synthesis & Manufacturing**
Process Intensification/ Continuous Flow Manufacturing

**Product Spotlight**
Laboratory Equipment

**Troubleshooting**
Biopharmaceutical Manufacturing

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
Controlled Release Society (13-16 July, Chicago)

**Value-Added Marketing**
Full Page Product/Service Profie (full page advertisers only)

## AUGUST
Ad Close: 16 July*

25TH ANNIVERSARY
Pharmaceutical Technology EUROPE

**Special 25th Anniversary Issue**
A retrospective of the last 25 years in drug development and a look ahead to the next quarter-century.

**Focus**
Big Pharma Manufacturing Investment Update

**Special Features and Forums**
Solubility/Bioavailability Enhancement
Peer-Reviewed Technical Notes
Risk Assessment and Mitigation
Securing the Supply Chain/ Anticounterfeiting Technologies

**API Synthesis & Manufacturing**
Biopharmaceutical Manufacturing

**Product Spotlight**
Automation/Process Control/IT

**Troubleshooting**
Equipment Design and Operation

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Value-Added Marketing**
Readex Advertising Study
e-News Product/Sevice Profile

## SEPTEMBER
Ad Close: 13 August*

**Focus**
Quality by Design (QbD) in API Manufacturing

**Special Features and Forums**
Orally Inhaled and Nasal Drug Products
Peer-Reviewed Technical Notes
Product Quality: Sterile Manufacturing/ Aseptic Processing
Modular/Flexible Manufacturing

**API Synthesis & Manufacturing**
Asymmetric Synthesis

**Product Spotlight**
Analytical Instruments

**Troubleshooting**
Solid Dosage

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
CPhI Worldwide/ISCE/P-Mec (7-9 Oct. Paris)
TechnoPharm/POWTECH (30 Sept.-2 Oct., Nuremberg Germany)
PDA FDA Joint Regulatory Conference (TBD)

**Value-Added Marketing**
1/2 Page CPhI/ISEC/P-Mec Exhibiitor Profile

## OCTOBER
Ad Close: 10 September*

**Focus**
Bioavailability Enhancements/ Solubilization Strategies

**Special Features and Forums**
High Potency Drug Formulation
Peer-Reviewed Technical Notes
Quality Systems: A Global Perspective
The Future of Personalized Medicine
Packaging Forum

**API Synthesis & Manufacturing**
Fluorination Chemistry in API Manufacturing

**Product Spotlight**
Manufacturing and Equipment

**Troubleshooting**
Aseptic Processing/Sterile Manufacturing

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Bonus Distribution**
AAPS (Nov. 2-6, San Diego, Calif., USA)
Lab Innovations (Nov., Birmingham, UK)

**Value-Added Marketing**
Free Whitepaper in Online Library and eNewsletter

## NOVEMBER
Ad Close: 15 October*

**Focus**
Quality by Design for Parenteral Drugs

**Special Features and Forums**
Specialty Dosage Formulation/Delivery
Peer-Reviewed Technical Notes
CAPA: Corrective and Preventive Action
Continuous Solid Dosage Manufacturing

**API Synthesis & Manufacturing**
Heterocyclic Chemistry in API Manufacturing

**Product Spotlight**
Aseptic Processing Equipment

**Troubleshooting**
Equipment Design and Operation

**Regulation And Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Value-Added Marketing**
Full Page Thought Leader Profile

## DECEMBER
Ad Close: 12 November*

**Focus**
Single-Use Technologies

**Special Features and Forums**
Peer-Reviewed Technical Notes
Executive Insights: Managing Quality
Next Generation of Pharmaceutical Sciences

**API Synthesis & Manufacturing**
API Review and Outlook

**Product Spotlight**
Manufacturing and Equipment

**Troubleshooting**
Solid Dosage

**Regulation and Compliance**
Regulatory Watch
Inside Standards
GMP Reports

**News, Analysis & Commentary**
Drug Development Trends
Outsourcing Review
Global Market Report
Conversation and Community
Industry/Pharma Q&A
Ask the Expert

**Value-Added Marketing**
Full Page Corporate Profile

**EDITORIAL SUBMISSIONS AND DEADLINES****
*Pharmaceutical Technology Europe* welcomes article pitches and abstracts for regulatory, technical, and peer-reviewed articles throughout the year. Submit your inquiry four months prior to publiation date. Contact Rita Peters, editorial director, (rpeters@advanstar.com) to submit or for futher information.

Editorial content may change at the discretion of the editor.
*Advertising deadlines may be subject to change.
**Receipt of an article or abstract does not guarantee inclusion in a particular issue of the magazine or on www.PharmTech.com
